Feels Like the First Time Uther Pendragon

John and Kim have been married for 14 years... and they are still absolutely crazy about each other!

They have a 13-year-old daughter, Des, and they do many things together as a family. On one of these days, they watch their pet fishes start their own family.

While watching, John and Kim look back on their early years; from the first time they have sex, right to their wedding. And when Des leaves for day camp, what better way to celebrate the couple's anniversary than to get back in bed?

This story is also known as "Fish Tank"

SAMPLE:

She tugged at the elastic of his underpants suggestively, but he kissed her breasts before pushing his underpants down and throwing them to the floor.

He went back to kissing her belly, all around the slight bulge, then lower into her hair, and then lower again.

"Oh, John!" she said. She tugged on his arms and spread her legs. Suddenly, she wanted him inside.

"Oh yes," he said... except he stayed down there. He kissed her right on her lower lips and licked between them.

"I want you inside," she said. She did want him inside, and wanted his weight on top of her.
