## I break things

Bones, hearts, and other fighters. It's the only thing I've known. It's the only thing I've been good at. I've got no time for love, no need for affection.

Until *she* came into my life.

Adriana

When I see her ringside at my big fight.

Those innocent eyes.

Those irresistible curves.

Nothing else mattered except the voice screaming in my head:

Screaming that I want her.

Screaming that I need her.

Screaming to make her MINE...

... and break everything and everyone that tries to stand in my way.

***Grayson* is a full-length, standalone romance novel with steamy hot sex, no cheating, strong language, an HEA ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers.**
