The king of cheap shows you how to make millions in real estate by buying right... CHEAP. He also gives you the step by step roadmap to saving money in every area of your life (and business). Tim Johnson is known as the king of cheap because he grew up in rough circumstances and was forced to learn to be cheap because there was no other way. With his tough childhood, if he didn't get it cheap, he wouldn't eat. As unfortunate as it is, starvation causes a person to think more clearly. To find a way. To make things work. Which is exactly what Tim did. Found solutions to getting things cheap. Since his impoverished childhood Tim has gone on to make millions with his strategies that get everything cheaper than you'd ever expect possible. For instance, a new house furnace for \$250 instead of the \$4,000 most people would expect to pay. Another example is when Tim bought an apartment building for only \$30,000, talk about a great deal, right? Inside this book you'll have hundreds to cost saving tips, tricks and techniques to get anything you want, CHEAP! Whether you'd just like to be thriftier, or you're an experienced bargain hunting haggler, Tim Johnson will show you how to turn your savings into millions.
