Death, Life, or Love—Unbounded Always Play for Keeps

There are only two ways to kill Unbounded, and fire isn't one of them—as law school dropout Erin Radkey learns the hard way. By fluke of a recessive gene, she has become Unbounded, a nearly immortal being with paranormal abilities.

Erin's Change separates her from her loved ones and alters everything she believes to be true. A week earlier she was considering a marriage proposal; now she contemplates the best way to stay alive. Caught in a battle between two Unbounded groups, the Emporium and the Renegades, she is also hunted by a secret mortal society sworn to eradicate the Unbounded gene.

As Erin plunges into this dangerous new life, she must carve out her own place in the madness, protect her mortal family, and decide which group she should join. Her unique ability is vital to both groups in the race to secure an identification software that spells death for all Unbounded—or enslavement for the entire mortal world. Some will stop at nothing to use Erin as one more pawn in a battle that has spanned centuries. Erin's undeniable attraction to Ritter Langton, whose family was massacred by opposing Unbounded two hundred and forty years ago, complicates her choices. There are no second chances. Death, life, or love—Unbounded always play for keeps.

Non-stop action, terrifying consequences, and powerful romance make The Change an exciting addition to the world of romantic urban fantasy.
