Five common problems your team is susceptible to - and the one thing you can do to fix all of them

There are so many ways a team can go wrong. Does your team make decisions so slowly that nothing ever gets done, or does it go too fast and miss critical issues that come back to bite you later? Does your team bicker endlessly or smile and nod while avoiding the tough issues? Too often, team dysfunction leads to abysmal productivity and zero innovation for your organization, as well as misery and wasted time for you. Most team members sit and wait, feeling trapped in a team that just isn't working. *You First: Inspire Your Team to Grow Up, Get Along, and Get Stuff Done* presents a radical new idea: You can change your team. Author Liane Davey shows how you, from any seat at the table, even without support from your colleagues or your team leader, can transform even a toxic team.
