Don Juan's Teachings Carlos Castaneda

The book is divided into two sections. The first section, The Teachings, is a first person narrative that documents Castaneda's initial interactions with don Juan. He speaks of his encounters with Mescalito (a teaching spirit inhabiting all peyote plants), divination with lizards (by using a hallucinogenic powder rubbed on his temples to understand their language), and flying in animal form using the "Devil's Weed" (the datura plant). The second, A Structural Analysis, is an attempt, Castaneda says, at "disclos[ing] the internal cohesion and the cogency of don Juan's Teachings."
