Christmas is coming and Carlos and his family are going home-driving south across the border to Mexico. But Mexico doesn't seem like home to Carlos, even though he and his sisters were born there. Can home be a place you don't really remember?

At first, La Perla doesn't seem very different from the other villages they pass through. But then Carlos is swept into the festivities by Grandfather, Aunt Ana, and the whole village. Finally, Carlos begins to understand Mama and Papa's love for the place they left behind, and realizes that home can be anywhere, because it stays in the hearts of the people who love you.

Eve Bunting and David Diaz-the Caldecott Medal-winning team behind *Smoky Night*- collaborated once again to create a dazzling picture book that glows with holiday joy and the spirit of Mexico.
