Masques and Wolfsbane (Sianim, 1, 2) Patricia Briggs

Before Patricia Briggs penned her bestselling Mercy Thompson series, she cut her authorial teeth on a medieval fantasy called *Masques*. In it we meet Aralorn, a shapeshifter who fled her noble existence for a life of adventure as a mercenary spy. A jewel in the rough, *Masques* promised a sequel that never saw the light of day...until now. Together with the newly revised and updated first novel, *Wolfsbane* weaves a sinuous story of romance, danger, mystery, and magic. *Masques & Wolfsbane* delivers the first two tales of the Sianim saga in one fast and fiercely fun volume.

In *Masques*, Aralorn and her companion Wolf—a shapeshifter whose feral form hides a mysterious past—are sent to fight Geoffrey ae'Magi, a sorcerer with dangerous plans for Aralorn's homeland...and all mankind. But can they defeat his illusory magic—a power so great it transforms men and monsters into vacuous slaves?

In *Wolfsbane*, Aralorn and Wolf must come to terms with their feelings for each other as they return home for her father's funeral. Yet when they arrive, they learn that the Lyon of Lambshold is not dead, but trapped in a powerful spell. Can they find who's behind it...before Aralorn falls to the blackest of magics?
