Strindberg: Plays: Two (The Dance of Death / A Dream Play / The Stronger) (Vol 2)

August Strindberg

Strindberg: Plays: Two (The Dance of Death / A Dream Play / The Stronger) (Vol 2) August Strindberg
The second volume in the series of authoritative Methuen editions of Strindberg's Collected Plays

This volume contains two of Strindberg's best-known plays from the years following his mental breakdown: the expressionist masterpiece *A Dream Play* (1901), which he described as 'my most beloved play, child of my greatest pain'; and both parts of *The Dance of Death* (1900), a terrifying analysis of a tormented marriage: 'it leaves an astonishing, an almost unaccountable, impression of genius ... as a beggar's cloak full of holes may have a kind of majestic beauty when the wind fills it, so this broken drama, having unmistakably the winds of vision in it, has beauty and dignity and power' (*The Times*, 1928). Also included is his earlier short play *The Stronger* (1889), a fascinating study of the power of personality.

"Michael Meyer is the translator most actors turn to when seeking a definitive text" (*Sunday Times*)
