The Secret of Spiritual Joy William P. Farley

At one time or another, most Christians struggle with depression, discouragement, or despondency. When this happens, spiritual joy is the great need. William Farley has written a practical book to help flawed human beings discover and implement the secret to spiritual joy.

The author contends that the gospel is the key to a life overflowing with joy. That is because a right understanding of the gospel produces the humility that motivates a life of continual thanksgiving. A heart humbled by the gospel is the well from which stressed believers can draw the gratitude that generates spiritual joy.

This book also examines common joy-killers like grumbling, complaining, boasting, and self-pity, and provides practical suggestions for conquering them. Such attitudes cannot co-exist in a heart saturated with gospel-gratitude. Ultimately, a clear grasp of the cross is the secret to spiritual joy.
