Bound by a curse centuries ago, the Langdon wolves are stone by day and men by night. To free them, they need one special woman. A female ready to love them both, body and soul. Now, after long years, they've found her. Nat is the woman they need, and after a hot night together, they know she's more than woman enough for both of them.

They've found their Lady, but can they convince her to stay?

Nat's thought of nothing else but her two wolves since she trespassed on Langdon land and discovered the delicious consequences. Now she's back to claim her men...

But will their happiness be shattered before it really begins, or is Nat wolf enough to stand down a witch's curse?
