The Northern realms. Circa 2000 B.C.

It was in the days of Peleg when the world was divided. After the flood of Noah, after the Tower of Babel and the dispersion ... when beasts were more numerous than men.

Two orphans, Thiery and Suzie.

The Lady Mercy without a protector.

Priests of the dragon, Baal, and the Queen of Heaven are seeking sacrifices for their false gods.

The Death Hunt!

In a land of giants and dragons, and men running from the knowledge of their Creator, wickedness spreads as a plague, but a remnant of faithful souls shine in the darkness.
