The God Who Is There

Francis A. Schaeffer

The God Who Is There Francis A. Schaeffer

In 2006, *Christianity Today* voted this title to be one of the top 50 books that have shaped evangelicals! For over thirty years *The God Who Is There* has been the landmark book that changed the way the church sees the world. In Francis Schaeffer's remarkable analysis, we learn where the clashing ideas about God, science, history and art came from and where they are going. Now this completely retypeset edition includes a new introduction by James W. Sire that places Schaeffer's seminal work in the context of the intellectual turbulence of the early twenty-first century. More than ever, *The God Who Is There* demonstrates how historic Christianity can fearlessly confront the competing philosophies of the world. The God who has always been there continues to provide the anchor of truth and the power of love to meet the world's deepest problems.
