Demons Wayne Macauley

Praise for Wayne Macauley's *The Cook*:

"Irresistible—reminds us just how exciting it is to read a wonderful and original novel."—Lloyd Jones

"A riot of a book! Gripping and subversive."—Nick Cave

"Thought-provoking and brilliant."—*The Guardian*

"A delicious satire of foodie culture, fast-paced, complex, and thoroughly well done."—*Large Hearted Boy*

"An intense experience, like stepping into a steamy, industrial kitchen, with pots boiling over on every surface . . . consistently hilarious."—*Daily Telegraph*

It is the middle of winter. Four middle-aged couples make the journey down the Great Ocean Road to a remote beach house. Without phones, internet, or television, they plan to sit around the fireplace for the weekend, telling stories that might explain the passage of their own lives.

Nothing goes to plan. As a storm rolls in, the implications of what they reveal to each other grow more shocking, and soon torrential rain cuts the party off from the outside world. Some stories aren't meant to be shared, and there are consequences that come with the truth.

An extraordinary and unexpected psychological thriller.

For fans of *The Dinner* by Herman Koch and *The Slap* by Christos Tsoolkias, this is a great novel for book club discussions.

Wayne Macauley is the author of three highly acclaimed novels: *Blueprints for a Barbed-Wire Canoe*, *Caravan Story*, and, most recently, *The Cook*. He lives in Melbourne.

From reader reviews:

Samuel Salamanca:

This Demons book is not really ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is actually information inside this guide incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. This Demons without we recognize teach the one who reading it become critical in contemplating and analyzing. Don't possibly be worry Demons can bring whenever you are and not make your handbag space or bookshelves' come to be full because you can have it inside your lovely laptop even cell phone. This Demons having excellent arrangement in word and layout, so you will not sense uninterested in reading.

Ruth Brown:

Nowadays reading books become more and more than want or need but also get a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining like comic or novel. Typically the Demons is kind of book which is giving the reader capricious experience.

Brian Robinson:

Your reading sixth sense will not betray you actually, why because this Demons reserve written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still uncertainty Demons as good book not just by the cover but also by the content. This is one reserve that can break don't determine book by its deal with, so do you still needing another sixth sense to pick this particular!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

William Evans:

Many people spending their time period by playing outside using friends, fun activity along with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Cell phone. Like Demons which is keeping the e-book version. So , try out this book? Let's observe.
