It's About Time! Finally, there's a corporate finance book that incorporates the newest technology to facilitate the learning process, saving time for instructors and students. The Second Edition continues to provide the core topics for the course, highlighting personal examples just as instructors do during their class. New to this edition are unique Quick Response (QR) codes that enable students with smartphones to instantly access online help or explore topics further without ever leaving their page in the book. With Connect Finance, students can take self-graded practice quizzes, homework assignments, or tests, making the learning process more accessible and efficient. An integrated, printable eBook is also included in the package, allowing for anytime, anywhere access to the textbook. Isn't it time to get the most out of a corporate finance text?

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
