Hidden Heartache (Medical Romance) Suzanna Ross

Dr Emma Bradshaw's life is disrupted when Nick Rudd arrives back in town to take up a post at the GP practice where Emma works. The bad boy attitude is still very much in evidence, but Nick is a doctor now – against the odds – and Emma's forced to work closely with him. Not so easy to ignore the love of your life when you have to see him on a daily basis. And Nick's getting perilously close to breaking down the barriers Emma's built to protect herself from the tragedy in her past.

Nick thought, as a doctor, it would be easy to command respect from the residents of his hometown – and most are pleased to see how well he's done. But, the one person he wants to impress remains unmoved. Emma is keeping her distance. And she's changed – the fun loving girl he knew has gone. She's hiding something big, he's sure, but she's not telling. He can't blame her – he knows he let her down badly in the past. But now he'll do anything to rekindle the trust and love she once showed him.

Hidden Heartache is a sweet romance. It has previously been published as a Linford Romance large print book - and also as a My Weekly Pocket Novel.
