I Love Dollars: And Other Stories of China Zhu Wen

An immediate sensation upon publication in China, *I Love Dollars* is a hilarious send-up of China's love affair with capitalism by one of its most gifted new writers. In the title story, a young man, acutely aware of his filial duty, sets out to secure a prostitute for his father, only to haggle his old man out of a good time. Here, gleefully exposed, are the inanities of everyday life in contemporary China. As penetrating as Kafka, as outrageously funny as Larry David, and with a slangy swagger all Zhu Wen's own, *I Love Dollars* is priceless.
