## **Nobody Will Buy This: Don't Drink and Tweet** Mat Devine

How do you feel about protecting the surface of your coffee table from unsightly wine rings? Because at the very least, this book could make a nice coaster for your glass. Very least, very most, whatever. I'm completely emotionally prepared for this book to get god-awful reviews. **NOBODY WILL BUY THIS** Note from the Publisher: This book is the ultimate multipurpose tool. Potentially lethal if thrown, highly flammable, and a delicious high fiber/low carb goat feed substitute. "Mat Devine is a genius. And also an idiot. Mostly an idiot." -Jude Angelini, Author (Hyena)
