Financial Peace Revisited Dave Ramsey

Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his **New York Times** business bestsellers **Financial Peace** and **More than Enough**, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually.

In this new edition of **Financial Peace**, Ramsey has updated his tactics and philosophy to show even more readers:

- how to get out of debt and stay out
- the KISS rule of investing—"Keep It Simple, Stupid"
- how to use the principle of contentment to guide financial decision making
- how the flow of money can revolutionize relationships

With practical and easy to follow methods and personal anecdotes, **Financial Peace** is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.
