International Relations Theories

Tim Dunne, Milja Kurki, Steve Smith

International Relations Theories Tim Dunne, Milja Kurki, Steve Smith

Drawing on a wealth of expertise from a global team of contributors, the third edition of *International Relations Theories* provides an up-to-date and comprehensive account of all the major IR theories--including some of the more alternative understandings not found in other texts--and supports them with case study examples.

Editors Tim Dunne, Milja Kurki, and Steve Smith have brought together a team of international contributors, each specializing in a different theory. The contributors explain the theoretical background to their positions before showing how and why their theories matter. The book opens up space for analysis and debate, allowing students to decide which theories they find most useful in explaining and understanding international relations. While some of the theories discussed are complex, the authors convey them in a clear and accessible manner, with the use of engaging pedagogical features, making this an ideal introduction to the field.

NEW TO THIS EDITION

* A new chapter on Critical Theory, authored by Steven Roach, which addresses this important theoretical orientation

* Updated chapters and case studies that reflect new developments in world politics

International Relations Theories, Third Edition, is accompanied by a Companion Website that provides additional resources for instructors--PowerPoint-based slides and figures and tables from the text--and students--web links, a flashcard glossary, and a revision guide.

From reader reviews:

Patricia Little:

Book is to be different for each and every grade. Book for children until finally adult are different content. To be sure that book is very important usually. The book International Relations Theories seemed to be making you to know about other understanding and of course you can take more information. It is rather advantages for you. The reserve International Relations Theories is not only giving you considerably more new information but also being your friend when you truly feel bored. You can spend your own spend time to read your guide. Try to make relationship with all the book International Relations Theories. You never experience lose out for everything in case you read some books.

Michael Green:

Spent a free a chance to be fun activity to do! A lot of people spent their down time with their family, or their particular friends. Usually they performing activity like watching television, about to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Could possibly be reading a book might be option to fill your free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled International Relations Theories can be fine book to read. May be it may be best activity to you.

Danica Johnson:

Your reading sixth sense will not betray you, why because this International Relations Theories reserve written by well-known writer who knows well how to make book which might be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still doubt International Relations Theories as good book not just by the cover but also from the content. This is one e-book that can break don't determine book by its handle, so do you still needing an additional sixth sense to pick that!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

Kimberly Casselman:

Reading a book to be new life style in this calendar year; every people loves to learn a book. When you study a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. In order to get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, as well as soon. The International Relations Theories provide you with a new experience in reading through a book.
