"Life is relationships; the rest is just details." We are designed for relationships, yet they often bring us pain. In this paradigm-shifting book, Gary Smalley unravels the DNA of relationships: we are made for three great relationships-with God, others, and ourselves-and all relationships involve choice. Gary exposes a destructive relationship dance that characterizes nearly every relationship conflict, and he offers five new dance steps that will revolutionize relationships. The DNA of Relationships, the cornerstone book in Gary Smalley's relationship campaign, will revolutionize your marriage, family, friendships, and work relationships.
