"I try not to think about it, what I did to that boy."

Seventeen-year-old Kenna Marsden has a secret.

She's haunted by a violent tragedy she can't explain. Kenna's past has kept people—even her own mother—at a distance for years. There, she discovers an extraordinary new way of life as she learns who she really is, and the wonders she's capable of. For the first time, she starts to feel like she belongs somewhere; that her terrible secret makes her beautiful and strong, not dangerous. But the longer she stays at Eclipse, the more she senses there is something menacing lurking underneath its idyllic veneer. And she begins to suspect that her new family may have sinister plans for her...
