The Magical Elven Love Letters, Volume 3, is composed of some of the early letters that were written by the Silver Elves and sent out on the internet prior to the year 2000, as well as all of the letters sent out and/or published during their journey and relocation to Hawaii in 2008. Some of the letters in this volume that were written after moving to Hawaii may be viewed on their website called: The New Eald of the Silver Elves: Elves in Paradise. They were written to encourage elves to awaken to their Elfin nature, to be true to their individual destiny, and to embrace their starry heritage. They are filled with Elven Philosophy and observe the world from the point of view of the Elves, which is often quite unique from how most people view and experience the world; and their unique Elven Philosophy of Magic that is often similar and yet distinct from traditional theories and methods of magic. They are also interspaced with Elven quotes, axioms, koans and other ancient Elven sayings. This book is the completion of the trilogy of The Magical Elven Love Letters.
