Luckily, an idea sparks when Piper finds a cute, sparkly notebook to disguise as her "French Class" homework. It's genius—now the two BFFs can stick together all the time. And document their adventures—you know, for anthropology's sake.

But as the two navigate the tricky new world of sixth grade, they realize that they may need to branch out more than they originally thought. Their notebook, once a life raft, begins to feel like a big responsibility. Can they grow up, without growing apart?
