Vlad

Melodie Romeo

Vlad Melodie Romeo

Vlad Dracula, bloodthirsty tyrant; Nicolae of Cozia, avenging son of a murdered noble; Maria, grieving, widowed tavern maid: on a snowy, blood-soaked hill, the three will meet. One will die; one will be the killer; one will be reborn. History tells us that the real Vlad Dracula was much more frightening than Bram Stoker's vampire. After killing over 100,000 people during his first reign as Prince of Walachia, he returned after years of exile ready to wreak terror on anyone he chose. Many were afraid, but only two were bold enough to risk death at every turn to see his rule stopped short. Maria and Nicolae find more in common than a hatred of Vlad, but will they both live long enough to declare their love? With heart-stopping danger at every turn, detailed historical accuracy combined with fictional characters, and a myriad of surprises, Vlad is sure to keep you on the edge of your chair!

From reader reviews:

Sheila Rocha:

What do you about book? It is not important together with you? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this particular Vlad to read.

Nathan Wilson:

As people who live in often the modest era should be update about what going on or info even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This Vlad is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Thelma Brady:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with education books but if you want really feel happy read one with theme for entertaining for example comic or novel. The actual Vlad is kind of book which is giving the reader unforeseen experience.

Lionel Huggins:

A lot of book has printed but it is different. You can get it by internet on social media. You can choose the best book for you, science, comic, novel, or whatever through searching from it. It is called of book Vlad. Contain your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make you happier to read. It is most significant that, you must aware about reserve. It can bring you from one place to other place.
