Eternal Church Bill Hamon

Dr. Bill Hamon takes the reader on a journey throughout the history of the church. Beginning at the origination of the church in the first century, he proceeds to the deterioration of the church during the Middle Ages, the restoration of the church from the time of the reformation to present. He also explores the eternal destination of the church in the years to come including the eternal ages

This unique perspective shows graphically the "whys" as well as the "whats" of church history. Bill Hamon is a valid modern prophet who writes the story of the Church of Jesus Christ from the perspective of one who sees not only the past, but has glimpses into the future. Hamon divides the history of the church into phases based on the restoration of the teachings of Christ that were lost to the church during the dark ages.
