Lion of Judah

Aaron Pery

Lion of Judah Aaron Pery

When the Nazis in Austria began their campaign to unify the country with Germany in the early thirties, Hermann Gurman, a Viennese banker and scion of a family nearly as famous as the Rothschilds, took serious notice of it. After investigating the situation in Europe and Palestine closely, he decided to take his family there and settled in the newly established city of Tel Aviv, near the Biblical Port city of Jaffa.

During the next seventy years the Gurs, as they were now known, thrived as their numbers and stature in their adopted country grew and most of their men and women served first in the underground fighting the British and then in the IDF after the establishment of the State of Israel.

The story follows the expanded Gur family through their involvement in the trials and tribulations of establishing and then maintaining the safety of the State of Israel, which led to the restoration of King David's old empire, rebuilding the Holy Temple, and establishing a permanent peace with all their neighbors.

From reader reviews:

Larry Gutierrez:

Often the book Lion of Judah has a lot associated with on it. So when you check out this book you can get a lot of benefit. The book was published by the very famous author. Mcdougal makes some research prior to write this book. That book very easy to read you can get the point easily after perusing this book.

Joyce Adam:

This Lion of Judah is great publication for you because the content that is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it facts accurately using great organize word or we can say no rambling sentences inside. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with splendid delivering sentences. Having Lion of Judah in your hand like getting the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world within ten or fifteen tiny right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Sherry Duncan:

That reserve can make you to feel relax. This particular book Lion of Judah was vibrant and of course has pictures around. As we know that book Lion of Judah has many kinds or category. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and think that you are the character on there. So , not at all of book are make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that will.

Richard Chambers:

Some individuals said that they feel weary when they reading a reserve. They are directly felt it when they get a half regions of the book. You can choose the actual book Lion of Judah to make your reading is interesting. Your skill of reading expertise is developing when you such as reading. Try to choose straightforward book to make you enjoy to read it and mingle the feeling about book and reading especially. It is to be first opinion for you to like to open a book and study it. Beside that the publication Lion of Judah can to be your friend when you're feel alone and confuse using what must you're doing of the time.
