#### **Barbara Norwood:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on

this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Measurement by the physical educator: Why and how can make you really feel more interested to read.
