Something's gotta give...

Delilah is a small town girl living in the big city of L.A. Her job sucks, her apartment is a dive and the people she meets are hostile and think she's dumb just because of her accent. All Delilah wants is a taste of home; to be reminded where she came from. After a particularly bad day Delilah finally decides that she's had enough, and she goes to a bar to get good and drunk. What she finds there is exactly what she needed, a good country boy who can give her that taste of home she was so badly craving.

Excerpt:

Eli grabbed her bottom lip between his and ran his tongue along it, sending shivers down her spine. She felt flushed, drunk in a way that had nothing to do with alcohol. She managed to pull away from him.

"Bedroom?" she panted.

Eli made a growling sound and suddenly dropped his body, then pushed his shoulder into her belly, lifting her up. She squealed, her feet kicking, loving the playfulness of it, and she ran her nails down the bare skin of his back and then swatted him on the ass as he walked. He quickly reciprocated the smack on her, his large hand cracking down on her jean covered derriere, and she felt his chest humming with laughter. Once they were in his bedroom, he roguishly threw her on his California king sized bed. She bounced and rolled onto her back, staring up at him with stars in her eyes as he crawled over her.

"Is that any way to treat a lady?" she asked, crossing her arms, glaring up at his face playfully.

He was hovering over her, his breath warm on her face, smiling like a possum. "Oh, well, my deepest apologies, Miss. I do declare you are right. That is most definitely not the way to treat a lady. Now this," he said, lowering his mouth to her ear, then whispered in his gruff voice "is how I treat a lady." He nipped her earlobe lightly, then kissed his way down her neck, trailing a line down her cleavage. He pushed up the peach material of her halter top then flicked his tongue into her belly button, raising gooseflesh on her skin. His hands moved to her jeans, his fingers deftly unbuttoning them.

"Now just what do you think you're doin' there, Mister?" she asked, giggling.

"Well, Miss," he said, looking up at her from his spot next to her hipbone, then said in a dangerously low voice, "I'm fixin' to go down on you. Any problem with that?" With that he tugged her jeans off her hips and down her legs. He could see, by the light of the moon shining through his window, that her panties were soaked through. He rubbed the wet material with two fingers and she writhed on the bed. "No, sir, no problem at all," she moaned.
