When rich, handsome, and arrogant meets beautiful, brilliant, and ambitious, things are bound to get tangled

Drew Evans makes multimillion-dollar business deals and seduces New York's most beautiful women with just a smile. So why has he been shuttered in his apartment for seven days, miserable and depressed? He'll tell you he has the flu, but we all know that's not really true.

When Katherine Brooks is hired as the new associate at Drew's father's investment banking firm, every aspect of the dashing playboy's life is thrown into a tailspin. The professional competition she brings is unnerving, his attraction to her is distracting, his failure to entice her into his bed is exasperating.

How can one woman turn a smooth-talking player into a broken, desperate man? By making the one thing he never wanted in life the only thing he can't live without.
