Book One: Keep Him Interested: 7 Simple Texting Secrets to Flirt Your Way Into His Heart

Dating of the 21st century is driven by texting.

Phone calls have mostly disappeared from the early stages of dating, and texting has taken the throne. This migration to text has the potential to take your dating life to heights you'd never imaged – if, of course, you know how to take advantage of it. Unfortunately, it also creates the possibility to be left in the dust and have your dating life deteriorate if you don't keep with the times.

This guide will show you:

- How to get the most out of texting.
- The biggest mistakes to avoid.
- How to screen for the guy you really want.
- How to keep him interested over the long term.
- And much, much more.

This book has the potential to drastically change your dating life. All you have to do is jump in and get started.
