Jones offers readers the basics—such as how contracts are formed, the rights of athletes, labor laws, the NCAA, and copyright and trademark laws—but also covers much more. The growth of multi-million and even billion dollar sports franchises requires enhanced professionalism in the area of negotiating sports and endorsement contracts, and the major players in the sports agency field are covered in full.

*Rules of the Game* contains appendixes that offer valuable resources, including a sample drug testing consent form, a standard player contract from the NFL, and a National Football League Players Association (NFLPA) representation contract. With key words and discussion questions at the end of each chapter, this book is a comprehensive yet highly readable text for both undergraduate and graduate students.
