We Built This City (The 8th Continent) Matt London

WHO WILL FINALLY RULE THE EIGHTH CONTINENT, ONCE AND FOR ALL?

In the final action-packed adventure of this series perfect for fans of the *Seven Wonders* and the *Candy Shop War* series, Rick and Evie Lane are in an epic battle to take back the eighth continent!

The Lane siblings have done the impossible and they finally have control of the eighth continent. But before the Lanes can finish building their dream city, shadowy corporation Mastercorp shows up with a terrifying weapon: the Anti-Eden Compound, which has the power to instantly turn anything into stinking garbage.

Now, it's Lanes vs. Mastercorp in an all-out war that will take the siblings from the coldest depths of the ocean to the thickest parts of the jungle. And with evil Mastercorp agents, bullying robot boys, and pesky Winterpole agents on their tails, it's only a matter of time before the Lanes have to make an impossible choice: risk losing their beloved home or unite with their arch enemy Vesuvia Piffle.

In this exciting conclusion to the 8th Continent series, Rick and Evie Lane must rely on every resource they have to save the city – and the home – that they've built together.
