Zionist Culture and West European Jewry Before the First World War

Michael Berkowitz

Zionist Culture and West European Jewry Before the First World War Michael Berkowitz

Focusing on the cultural invention of Zionism, Michael Berkowitz explores how and why the Jewish nationalist movement was embraced by assimilated Jews of Western Europe before World War I. He pays special attention to the symbolism, artistic representations, and mythology that attracted European Jews to Zionism, which coexisted equally with the nationalisms of their home countries. The book was originally published in 1993.
