Attracting What You Really Want Jennifer Lynch

What is it that we really want? Are you happy to keep settling for second best in your life? Or, has making do become a habit? Perhaps it is something that you learned as a child? Are you experiencing poverty consciousness or unfulfilling relationships? Then, this little book can help you identify what you want. Ultimately though, it is up to us to say no to old habit patterns and to say yes to success. If we can identify what we don't want, then we can start to discover the fantastic things that we do. We can afford to be choosy because it is our life and we have to live it! Our future happiness depends on the choices that we make now, so why not make them good ones?
