"You can be free from cycles of abuse & failure in life! God, through the power of Jesus Christ, changed my life and took me from cycles of abuse and self-destructive behavior to living a life full of love and success! There is real power in faith, so much more than just a church experience! While this is the story of how I overcame cycles of childhood and adult abuse, this book will inspire anyone who has road blocks to overcome on their way to living out their God given destiny.

I pray that the pages inside this book will inspire you to overcome and live a Champion's lifestyle!" -- Dr. Samantha Phillips

This book is indispensable reading for anyone who wants to overcome the scars of past hurts and live life above the norm. This is a profound authoritative work which expresses the wisdom of the ages and yet breaks new ground in its approach in tackling this sensitive subject and will possibly become a classic in this and the next generation. This exceptional work by Samantha Phillips is one of the most profound, practical, principle-centered approaches to this highly sensitive subject I have read in a long time. - Dr. Myles Munroe, BFM International
