David Lynch: The Air Is on Fire (Book and CD's) David Lynch

The first major collection of artwork by the acclaimed movie director David Lynch.

Spanning a period of forty years, David Lynch's widely respected films and television series include *Eraserhead*, *The Elephant Man*, *Blue Velvet*, *Twin Peaks*, *Lost Highway*, and *Mulholland Drive*. However, his prolific visual art production, which began even before his films, has rarely been seen.

This catalogue of his artistic output, published on the occasion of a large-scale exhibition at the Fondation Cartier in Paris, covers a wide variety of disciplines: painting, photography, drawings, sculpture, furniture, music, and "moving pictures." His art echoes his films in theme and aesthetic, yet offers viewers a fresh and more intimate glimpse into his singular universe. The book also contains several essays that analyze his artworks, as well as a conversation with Lynch, interviewed within the context of the show. 469 illustrations in color.
