### The Complete Guide To Making Amazing All Natural Shampoos For Healthy And Beautiful Hair

Have you ever wondered what it would be like to make your own wet and dry shampoos, as well as conditioners? The new lifestyle of living an environmentally and eco-friendly existence has become a world-wide phenomenon, and many people are scouring the internet for beauty product recipes they can use in order to be clean, look healthy, and stick to their values about not destroying the environment with parabens and other nasty ingredients in beauty products. This book is designed to help you figure out why you should be making homemade beauty products and how you can start by making your own shampoos, conditioners and even dry shampoos. By using all-natural ingredients you can find at any grocery store, you can make homemade shampoos that will leave you feeling good about your contribution to the environmentally conscious community as well as having soft, beautiful hair that people will constantly ask about.
