Willie Batres:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
