This is a new edition of Robinson's acclaimed novel, coinciding with a major new ITV adaptation. Number 35 The Hill is an ordinary house in an ordinary street. But it is about to become infamous. When two police constables are sent to the house following a report of a domestic disturbance, they stumble upon a truly horrific scene. A scene which leaves one of them dead and the other fighting for her life and career. The identity of a serial killer, the Chameleon, has finally been revealed. But his capture is only the beginning of a shocking investigation that will test Inspector Alan Banks to the absolute limit. 'It demonstrates how the crime novel, when done right, can reach parts that other books can't ...A considerable achievement' - "Guardian." 'Move over Ian Rankin - there's a new gunslinger in town looking to take over your role as top British police procedural author. With "Aftermath," Chief Inspector Alan Banks emerges as a definite contender for fiction's new top cop ...' - "Independent on Sunday."
