**Success on the Upper Level SSAT: A Complete Course** Christa B Abbott M.Ed.

**Success on the Upper Level SSAT: A Complete Course** is a complete course to prepare for the Upper Level SSAT, and this second edition has been updated for 2014.

This book provides the comprehensive test-taking strategies and content that students need to ace the test, including:

- Vocabulary lessons that ask students to categorize words and derive meanings from roots so that they can handle anything on test day
- Math content lessons that explain the concepts and how they will be applied
- Detailed strategies and drills for the reading section
- **NEW FOR 2014** -- One full-length practice test to prepare students for test day
- **UPDATED FOR 2014** -- New and expanded topics in the math content lessons reflecting the most recent published changes to the official guide from the SSATB

This book is designed both for students and families to use independently and for educators to use as a text with their students. While most other prep manuals mix together instruction for very different tests into one single volume, all of the material in *Success on the Upper Level SSAT: A Complete Course* is specific to the Upper Level SSAT. Students can use this book confidently and independently without being distracted by material that is not relevant.

Test Prep Works has developed a series of books specifically for the Upper Level SSAT, including:

- **Success on the Upper Level SSAT: A Complete Course** -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test.
- **30 Days to Acing the Upper Level SSAT** -- Students looking for more practice will benefit from the 15 "workouts" in this book, and instructors can use the workouts as assignments that reinforce test-taking strategies and help measure progress. Each workout includes practice questions from all sections of the test and can easily be completed in a single sitting. This book also introduces the test-taking strategies that are critical for success on the Upper Level SSAT.
- **The Best Unofficial Practice Tests for the Upper Level SSAT** -- This book consists of two full-length practice tests with answer keys, allowing students and instructors to measure progress and preparing students for what they will experience on test day. (Note -- These practice tests have different questions than the practice test in *Success on the Upper Level SSAT: A Complete Course* and the two books can be combined for a total of three full-length practice tests.)

Each book in the series can be used independently or they can be combined with each other, depending on the needs of the individual student.
