When young Freddy Freeman was attacked by Captain Nazi, he was saved by Captain Marvel, but his condition remained grave. The only way to save him was for Captain Marvel to transfer some of his powers to the boy. Suddenly, when he said the name "Captain Marvel" the lame teen was transformed into the powerful Captain Marvel Jr. During the Golden Age of comics Captain Marvel was one of the top super-heroes of the world. Along with his growing family of heroes – Mary Marvel, Captain Marvel, Jr., and others, they at times dominated the comic book landscape. Captain Marvel Jr. did his part, the comic legends agree, to help America and her allies win World War Two, while keeping crime at bay domestically. The comic reprints from Calumet History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
