In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) Sarah Lark

Helen Davenport, governess for a wealthy London household, longs for a family of her own—but nearing her late twenties, she knows her prospects are dim. Then she spots an advertisement seeking young women to marry New Zealand’s honorable bachelors and begins an affectionate correspondence with a gentleman farmer. When her church offers to pay her travels under an unusual arrangement, she jumps at the opportunity.

Meanwhile, not far away in Wales, beautiful and daring Gwyneira Silkham, daughter of a wealthy sheep breeder, is bored with high society. But when a mysterious New Zealand baron deals her father an unlucky blackjack hand, Gwyn’s hand in marriage is suddenly on the table. Her family is outraged, but Gwyn is thrilled to escape the life laid out for her.

The two women meet on the ship to Christchurch—Helen traveling in steerage, Gwyn first class—and become unlikely friends. When their new husbands turn out to be very different than expected, the women must help one another find the life—and love— they’d hoped for.

Set against the backdrop of colonial nineteenth-century New Zealand, *In the Land of the Long White Cloud* is a soaring saga of friendship, romance, and unforgettable adventure.

From reader reviews:

Walter Gagne:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by examining books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Alice Wilkerson:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is inside former life are challenging be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) as your daily resource information.

Peter Beaton:

That guide can make you to feel relax. This kind of book In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) was colorful and of course has pictures on there. As we know that book In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) has many kinds or type. Start from kids until youngsters. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that.

Juan Gilbert:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this In the Land of the Long White Cloud (In the Land of the Long White Cloud saga) can make you experience more interested to read.
