The House at the End of Hope Street: A Novel Menna van Praag

“Casts an enthralling spell, giving both characters and readers not only what they most want, but what they ultimately need.” —Brunonia Barry, bestselling author of *The Lace Reader*

When Alba Ashby, the youngest Ph.D. student at Cambridge University, suffers the Worst Event of Her Life, she finds herself at the door of 11 Hope Street. There, a beautiful older woman named Peggy invites Alba to stay on the house’s unusual conditions: she’ll have ninety-nine nights, and no more, to turn her life around. Once inside, Alba discovers that 11 Hope Street is no ordinary house. Past residents include Virginia Woolf, Dorothy Parker, and Agatha Christie, who all stayed there at hopeless times in their lives and who still hang around—quite literally—in talking portraits on the walls. With their help Alba begins to piece her life back together and embarks on a journey that may save her life.

Filled with a colorful, unforgettable cast of literary figures, *The House at the End of Hope Street* is a wholly imaginative novel of feminine wisdom and second chances, with just the right dash of magic.

Oh come on, that won't happen if you have this in your hand. The Enjoyable arrangement here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss it? Find this book as well as read it from right now!

Marlene Clabaugh:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The House at the End of Hope Street: A Novel can make you really feel more interested to read.
