The Pearl and the Golden Plinth Bruce McQueen

The peaceful city of Chakoria, deep within the underwater planet of Osis, has always been protected from dark, oppressive forces by the Pearl and the Golden Plinth. But all good things must come to an end... Lord Agon's evil knows no bounds. As dark ruler of the city of Enzir, his gruesomely spiked claws grip the souls of a mighty kingdom. But his vast empire will forever remain incomplete until he possesses the Pearl and can absorb Chakoria into his darkness. The young merman prince, Goibryne Galenthi, normally leads a comfortable lifestyle in the city of Chakoria, but this is about to change. Armed with only the magic in his staff and the courage in his heart, Goibryne sets out on an extraordinary quest to bring an end to Agon's tyranny in a ferocious clash between good and evil. Will he succeed?
