Carnal Harvest

Robin L. Rotham

Carnal Harvest Robin L. Rotham

Thanks to his spectacular ATV crash and lengthy convalescence, Hake Stivers missed out on a lot this fall—harvesting his crops, caring for his cattle, and most of all, giving his kinky little wife the kind of loving she deserves.

In an effort to ease his feelings of inadequacy and reward Mandy for helping out with chores, Hake asks his cousin Brent for a daring favor. Later that day, Brent and his friend Joe show up to fulfill Mandy's edgiest submission fantasies while Hake watches from the sidelines.

But someone knows the truth—it's not Mandy but Hake who needs to have his control stripped away, and that someone is determined to see that Hake gets exactly what he needs...whether he wants it or not.

Reader Advisory: You want it hot enough to sizzle and burn? Then Carnal Harvest has what you're looking for. A super-hot ménage involving four participants—three men and one woman—as well as some scenes of male/male sex, voyeurism, mild bondage, spanking and a highly erotic fantasy scene of “forced” sex.

Reader Advisory: This story has graphic sexual language and scenes - no closed bedroom doors (or other rooms) here!

From reader reviews:

Zachary Mason:

The book Carnal Harvest make you feel enjoy for your spare time. You can utilize to make your capable far more increase. Book can being your best friend when you getting stress or having big problem with the subject. If you can make looking at a book Carnal Harvest being your habit, you can get far more advantages, like add your own capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like open up and read a guide Carnal Harvest. Kinds of book are a lot of. It means that, science publication or encyclopedia or others. So , how do you think about this book?

Jenifer Bell:

Book is to be different for every single grade. Book for children until finally adult are different content. To be sure that book is very important for us. The book Carnal Harvest ended up being making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The reserve Carnal Harvest is not only giving you far more new information but also to become your friend when you experience bored. You can spend your own spend time to read your publication. Try to make relationship using the book Carnal Harvest. You never feel lose out for everything in the event you read some books.

Lyndsey Lafferty:

Here thing why this kind of Carnal Harvest are different and trustworthy to be yours. First of all reading through a book is good but it really depends in the content than it which is the content is as tasty as food or not. Carnal Harvest giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with Carnal Harvest. It gives you thrill examining journey, its open up your own eyes about the thing that happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your approach home by train. If you are having difficulties in bringing the published book maybe the form of Carnal Harvest in e-book can be your substitute.

Belinda Hamilton:

Nowadays reading books be than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining for example comic or novel. Often the Carnal Harvest is kind of e-book which is giving the reader unstable experience.
