Credo: Living and Loving as Disciples of Christ (Credo Series Book 6) Thomas Groome

Credo series is a comprehensive presentation of the Catholic Faith for US High School students. Veritas is acclaimed as a publisher of high quality religious education textbooks and, most recently, as a provider of innovative online resources which place Information Technology at the service of religious education.

The Credo series explores the concepts outlined in the document of The United States Conference of Catholic Bishops (USCCB): Doctrinal Elements of a Curriculum Framework for Young People of High School Age from a sound theological and pedagogical basis.

The first student text and teacher resource in the series, God's Word Revealed in Sacred Scripture, which has been found to be in conformity with the USCCB Protocols or Assessing the Conformity of Catechetical Materials with the Catechism of the Catholic Church, will be available in Spring 2011, followed by Book 2, Son of God and Son of Mary in Winter 2011.

The Credo series takes as its starting point the lived experience of the students and challenges them to make their lives a lived response to the teachings of the Catholic Church. The person and message of Jesus Christ is central to the Credo series. The students will be helped to come to know Jesus Christ more deeply and to understand his teachings more fully.

The Credo series also focuses on the formation of the students as people of faith. Each chapter facilitates their reflection on the meaning of what they are learning for their lives. Through prayer and meditative exercises they are helped to experience the presence of God in their lives.

The Credo series has a strong social justice theme running throughout. The text moves 'from life to faith to life' in a repeated pattern or spiral, leading the students to 'know, to love, to serve', moving from information to formation to transformation.

The Credo series uses the Shared Christian Praxis pedagogy which was developed by Tom Groome, and in the Credo series it is adapted for the first time for High School Catechesis.

The Credo series speaks to the multicultural nature of the US High School population.
