It's up to her: three men use her body as they wish...or they tell her husband what she's done.

Ashley and her husband go to a dinner party thrown by the man she just cheated with...and he's brought friends. Desperate to avoid her husband finding out how another man **used and controlled her body** for his pleasure, she makes an arrangement with the three men to get them to keep quiet.

Between courses, with her husband and the men's wives in the next room, she does as she's told, increasingly excited by the **kinky, dirty requests**. But as the dominant men take things further and further, can they really avoid getting caught?

This 7,400-word erotic short contains rough sex, humiliation and submission, anal sex, and cheating spouses. Click "look inside" for a preview of the pounding this slutty young wife will never forget.
