Herbal Remedies discusses the need for herbal medicines to prevent and fight bacterial and viral infection and provides a handy reference for their use. Little known and proven recipes are what makes this book unique. It explains how to take herbal medicines, where to find them, and in some cases, how to grow them. With this informative book, you can learn to use herbs to improve your overall health and overcome infectious illnesses that are a part of modern life.

The book gives an easy-to-read summary of each herb, including its history, its natural form, how and when to use it, and any precautions you should take if you decide it is the right herb for you. You can quickly look up antiviral and antibiotic herbs without the hassle of researching them individually in a library or online. "Herbal Antibiotics and Antivirals" is the book to have on hand if you are interested in treating your viral and bacterial infections naturally !

Here Is A Preview Of What You'll learn...

- Why commercial antibiotics and antivirals aren't working
- What makes herbals so special
- How to make and take herbal medicine
- Herbal prescriptions found in your kitchen or at the store
- Herbal prescriptions to grow in your garden
- Herbal Prescriptions to Buy from an Herbalist
