*"We are called to acknowledge how beautiful, true and good it is to start a family, to be a family today... We are called to make known God's magnificent plan for the family...as we accompany them amidst so many difficulties." - Pope Francis, February 20, 2014*

For Pope Francis, as for his predecessors Saint John Paul II and Pope Emeritus Benedict XVI, this is more than just talk. It is a rallying cry. This is the focus of the 2015 World Meeting of Families: Love is Our Mission: The Family Fully Alive.

For Catholics everywhere, it is a time to renew our focus on the family, the "domestic church" - what it means, why it's important, how it fits in with God's plan for us, and how we can become who God created us to be.

Here is a new, fresh, and insightful way to do just that. In **Love is Our Mission**, you can easily explore Catholic teaching on marriage, family, sexuality, children, human dignity, and the sanctity of life. It's a guided tour through scripture and 2000 years of Church teaching in which you are awakened to the relationship God wants to have with you, the family, and ultimately the world. Self-reflection or group discussion questions bring the teachings home in a very real and practical way.

As Pope Francis has said, we must, "keep before us the beauty of the family and marriage, the greatness of this human reality which is so simple and yet so rich..."
